

How to Install the Bluebook App:

Edison Prep
www.edisonprep.com

1. Create a CollegeBoard Account

You will use your CollegeBoard account to sign in to Bluebook, the official online practice test application. **If you already have a CollegeBoard account for SAT or AP registration, you can skip this step!**

Go to www.collegeboard.org and click *Create Account* → *Student*.

- Fill out your personal information on each page. Prompts with an asterisk* are required.
- You may need to verify details like your name, email address, and password.

Success! Your CollegeBoard account has been created.

2. Download the Bluebook App

Go to www.bluebook.collegeboard.org/students/download-bluebook and click **Download Bluebook now.**

Mac users: Click **Open in App Store**. Download **Bluebook Exams**.

PC users: Click **Download for Windows**.

3. Sign In

- Open the Bluebook app. Click **Sign In with Your CollegeBoard Account**.
- On *Application Terms and Conditions*, scroll down and select “*I have read and I accept these terms and conditions.*” Then click **Next**.

Under *Your Tests*, you will see any upcoming SATs you're registered for or prior tests you've already taken.
